

Central Oregon Cutting Horse Association COCHA is seeking your valuable support for our 2026 show season. Established in 1954 by a handful of local ranchers and cutting horse enthusiasts, COCHA was formed as a non-profit organization whose principal purpose, both then and now, is to promote the sport of cutting. Thank you in advance for your consideration in sponsoring our club.

COCHA produces eight shows per year. These shows draw participants from areas all around the Pacific Northwest region. Participants vary from local amateurs to national professionals

COCHA provides instructional clinics through both local and national trainers with NCHA Hall of Fame Riders to National Futurity Champions such as Todd Bimat (AZ), Tim Smith (AZ), Shad Platt (CA), Phil Hanson and Lindy Burch (TX) Lloyd Cox (OK), Russ Miller (ID), Andrew Coates and Gavin Jordan (CA) and others.
